Hi everyone,

.....and a cracking start to the month as we have been invited back to the **Knighton Park Funday** on Sunday, **Sept 3rd** where we will concentrate on our 'Tombola' & Awareness strategy 🙌😊. Any supporters are welcome to drop in and help us out-hour or two! 😎

A very nice £20.79 from our C/Tub in the Saffron Lane P/Office

A call from Jarvis Building (LRI) resulted in a delightful £41 from w/bands

Another fantastic £43.12 from the Bulls Head – S Stanton!

Not to be outdone the Fox & Tiger weighed in with a superb £39.07p

CHOICE Café wristband sales raised another £13.00

A superb Rock n Roll night at the Fox & Tiger raised £50 – well done teamsters

Aylestone Conservative Club raised £38.05

Now then folks, here's a new angle for us all to get involved with... and it is so simple, it really is! **AMAZON TIDAL SURGE** – with pennies not water. Have a look at this link <https://www.facebook.com/2020CancerAppealVisionOfVoice/?ref=bookmarks> and you will quickly see what I am talking about. All we ask is that all those who use [Amazon.co.uk](https://www.amazon.co.uk) for shopping purposes take a few moments to sign up (create an account) with [easyfundraising.org.uk](https://www.easyfundraising.org.uk) and then point your donations at **20-20 Voice Cancer** (we are already registered with them). When you then want to go shopping on [Amazon.co.uk](https://www.amazon.co.uk) simply go through [easyfundraising.org.uk](https://www.easyfundraising.org.uk) first and you/we will collect small donations on every item you buy. We do not want to know what you've spent nor what you have spent money on, it is NOT our business, but the accumulated donations are as it is a brilliant way of a continuous stream of funds into the Charities account! 😎

To kick start this **Amazon Tidal Surge** of ours we have an internet radio station that is prepared to back us: now how's about that boys n girls? <http://www.wrfn1025.org/>, have very kindly decided to back us with this venture and therefore a script is already being 'voiced' by sincerest thanks go to Andy Pell & Peter Haynes). I'm thinking of a 1,000 people **Tidal**

Surge..... just think how much 1,000 happy shoppers could raise over a 12 month period?
The beauty of all this??

It costs **YOU** absolutely **NOTHING** excepting what you spend on Amazon yourselves!

Our friend Peter Haynes says, “We will do our very best mate, I promise. It will also go out on WiganFM. Altogether it will be heard on around 15 stations. It'll also go out on Radio Monro UK, a new set up just taking off”.

Rock n Roll night raised **£50.00p** and our thanks go to Georgia & the team for letting us be part of their marvellous night of *dancin'* when it was *dancin'* and music was MUSIC! Just sorry that health prevented me from being there xxx

Last reminder for our **“20-20 Voice” Spring Meal** at the fabulous **Cuisine of India** situated on Kelmarsh Avenue, Wigston. Tables still available folks so don't be shy: only £16 per head with 50% donated BACK to our charity.

As you will now probably be aware folks we have a superb, a sensational, a fabulistic (*doing my Leonard Sachs bit here*), a most wondrous evening lined up for those who loved **Dads Army** back in the day will be delighted to hear that we have a superb evening lined up at the Belmont Hotel on June 1st. I will give out all the details in next month's newsletter. 🙌

I also need to remind all our bakers/coffee makers out there that April 22nd is our “Coffee & Cake” morning! Don't forget, if you want any posters creating simply give me the details and they will be in the post to you the same day. Remember folks, the more you advertise the people you will get round for a charity event and it's easy-peasy to create a tombola using '0's & '5's. Also a raffle can easily be created using donated gifts & sweets etc. Don't forget that we have plenty of our “20-20 Voice” Cancer brochures which are full of great ideas – just email Phil on admin@2020cancerappeal.org or text 07757-382970 for details.

Keep checking our **“20-20 Voice” Cancer Calendar** - always being updated.
Have fun folks!!!
