Greetings all,

We start where we left off last month's newsletter as our Star Prize (2xnights in Cromer) was won by **Mrs J Black** who bought their winning tickets at the Fairfield Pub a couple of weeks before the event took place-we congratulate them and wish them a pleasant stay etc. We've just had a lovely compliment from "**PW**" who said, "**many thanks for the newsletter, we all had a great night at the fashion show and the cakes were yummy ;**" well folks I think that about sums up what a brill night it was – and after all monies were in, we realised a fantastic **£792.00** for charity funds – so a great big thank you to all from me!

We had contact from the Kent area regarding Lary home-care etc and I am delighted to announce that we have been able to help/supply part of the gentleman's breathing needs. As he is a lary, with COPD, I know exactly 'where he is coming from' and he has our sincerest sympathies-so I hope that our contribution proves beneficial We've just heard that it **HAS** made a **'HUGE'** difference. (27th)

I'll keep beating the drum folks because easyfundraising **IS** one of the easiest ways for this charity to raise substantial funds. On the right you will see that a few purchases from this quarter realised a £00.41p donation – just for registering and shopping on Amazon. Now just how many of you buy goods, of any description, from Amazon? Simply log in to easyfundraising.org.uk feel good shopping and point your donations at **"20-20 Voice" Cancer-it all helps!**

I'm very happy to report that we collected **£17.19p** from our local **Post Office** today (7th Aug) and it's great that we have an increasing amount out outlets like this to keep adding to the charity pot. It's all these tub collections that enable us to help people in need!

Remember?: Great news from **Portugal** as our friends in Albufeira held a 'funday' on June 25th. Andy Taylor, who runs "**Between the Lines**" Restaurant & Bar, with his family in the town. After pledges & promises have been counted Andy informed me today (14th Aug) that they raised a magnificent **€155**. They also have a collection tub on the bar and that is soon to be counted too.

My local club also had a C/Tub change over and we found another £30.27p from the members to add to our bank account. The best news of all is that the club will **NOT** be closing and we now have a C/Tub on the upstairs bar too! Fabulous work everyone and, as always, our sincerest thanks to each & every one of you.

We nipped over to Rutland Water to suss out all we needed to know about this year's *'20-20 Bike Ride'* and they were most accommodating, so folks, we are all set for Sat: Aug 20th (10.30am). Should anyone like to join in or simply try and fill in a sponsorship sheet then simply email me for details admin@2020cancerappeal.org . We have also been in touch with all local area pubs & media to raise the profile as much as possible. Details-click links.

Another tremendous effort from the customers at **The Bulls Head** in Stoney Stanton as the tubs raised another **£31.92p**, brilliant effort by all and please continue the good work!

As time seems to be marching on I've added an information letter to this newsletter regarding our superb charity meal night held at the **Chef & Spice** restaurant, hosted of course by our patron Mr Willie Thorne. As you all know from the media, Willie had a 'prostate problem' but **I am delighted** to tell you that 'the problem' is **now sorted** and Mr & Mrs T are much happier bunnies. Isn't it just great to able to finish with a bit of cracking good news???

Meal night = a fabulous opportunity for a girls/boys/ward night out
