Can you hold a simple coffee morning with tea & biscuits raise vital funds for “20-20 Voice” Cancer – it’s the cancer that no one talks about! We aim to provide hospitals with the ‘*up to the minute*’ equipment which can detect those naughty little discoloured cells deep inside us-without the need for invasive surgery! Time & money saved for hospitals, stress levels greatly reduced for patients, beds freed up & results much sooner! Win folks!

Why not drop in and enjoy the company and help little known Head & Neck cancer sufferers survive cancer – in time they will be keeping their voices too! **YOUR help is invaluable.**
