Greetings all,

👉 A delightful start to the New Year as the **Bulls Head** raised £60+ (well done Tom C) from the Christmas Sweepstake, **Aylestone Conservative Club** raised £75 from the Christmas sweepstake – well done guys n gals.....👉 And, equally exciting, was **The Aberdale** pub who raised £67.60p with their Christmas sweepstake!👉 (Enjoy your gallon Alan 😊)

We went over to the **Bulls Head** to exchange the collection tubs & counted an absolutely fantastic **£74.05p** – a **new record** so congrats to **The Bulls Head!**

Fancy a night of **Rock n Roll**? Fancy a night where the clock is turned back to the time when 'big-bands' went to the wall and youth took over the dance halls? Bill Hayley, Little Richard, Jerry Lee Lewis, Stones, Beatles, The Who and many, many more – and all at the **Fox & Tiger** in Blaby. We kick off at 8pm and **'Jivin' John** will rock us through the ages.

Together we've raised
£14,733,440

How easy was that, Phil?

Your **16p** donation for **20-20 Voice Cancer** has been confirmed.

Now, spread the good news and encourage others to shop the easyfundraising way – you could help raise up to SIX TIMES more just by telling people about easyfundraising on social media!*

And that's how easy it is folks, all you have to do is to sign up to easyfundraising.org.uk and point all donations, big & small, at this charity. Thank you for your help.

Our untiring patron, Mr Willie Thorne, is now getting our collection tubs placed in a nice few country pubs & eateries which of course is great news for the more we are 'out & about' the more the awareness factor is promoted and, of course, the more donations we get! Looks like we'll be having a full day out exchanging tubs soon👉

Wristband collections LRI: Osborn Rec'n £18.00, Kinmonth £7.00, ENT £16.00 & Balmoral Rec'n £15.00

.....and NOW for the best news ever.....

Long ago we deposited the hard earned funds to buy the **FVR** (Flexi-Video-Rhinolaryngoscope) for our ENT dept at the LRI. There have been many problems along the way, not least financing the maintenance contract that goes with the order. I am **absolutely delighted to tell you all** that the order was placed today (12th Jan) with our friends @ Karl Storz Medical. My deepest thanks go to Mr Tim Diggle for without his perseverance this would **NOT** have happened. At a total cost of £13,678.51 it is very easy to see why we need to collect in so much money. Keep up the good work folks for **without you** we are nothing! *Phil J*

Great news folks as we have now ordered 2 x Tru-Tone ElectroLarynx 'Voices' for our ENT dept – not cheap at £1143.60p but sadly we have to pay the dreaded VAT on the goods!

Table of 5 booked already!

Cuisine of India: Kelmarsh Avenue, Wigston.LE18 3QW

Now then folks, a little bit early I know, but we want to make a 'good show' as we make our 1st entrance into our "Spring Meal" (all you can eat) being held at the **Cuisine of India** (formerly the Meadowbank Pub) on Kelmarsh Avenue, Wigston. Owned by Syed Rahman this is the 'sister' restaurant to the **Chef & Spice**, which we attend every September, so we already know that the food will be fabulous. Slightly different set up though folks, which I will tell you about in the next (March) newsletter, as it is **£16** per head with **50%** coming back to the **charity**. It'll be a great night with our patron Mr Willie Thorne hosting the evening and, of course, we will have a cracking raffle on offer + a superb, hand drawn, signed portrait up for auction! (Cheques accepted 🍷). I will provide a simple map and there is plenty of parking available so if you are planning a night out then earmark Monday, **3rd April** for another "**20-20 Voice**" **Cancer** night out! **I would appreciate you letting me know as early as possible if you will be attending as I can then arrange seating etc.**

Don't forget folks that if you happen to be out & about Stoney Stanton way, call in on the **Bulls Head** for a superb meal. Wednesday night = steak night 🍷. You won't regret it!
