

“20-20 Voice” Cancer

supporting those who suffer from Head & Neck cancers

What would YOU do without YOUR voice?

How would YOU cope?

What's
Yours?

What's your guilty little secret, your little indulgence? Can you cut out cigarettes for a month and 'pay yourself' £2 per day into your sponsors jar-can you get your mates to sponsor you too? You'll save a fortune and feel healthier too!

Do you need the incentive to diet? Can you get sponsors to help you along the way with say £1 per lb lost on those dreaded scales? (Tell us what weight you are and what weight you want to achieve and we'll help you out with a chart to nudge you along the way).

Want to slow down on the beer intake (?) then why not reduce by 2 or 3 pints per session and save the money in your “20-20 Voice” sponsors tub and help those who need a voice.

In fact you can find sponsors for any type of challenge and raise vital funds for the only charity that buys the vital diagnostic equipment our hospitals need to diagnose those hidden cells!

Why not get in touch and we will see what we can do for you 😊
