Greetings all,

We start this month on a high with a **£47** donation from our friends in the Macmillan Centre at Leicester Royal Infirmary, **£32** (w/bands) from the Kinmonth Ward, **£18** ENT & **£4** from Osborne reception – thank you all and keep up the good work you are doing.

Beulah Beau Photographers are now our official picture snappers and held a charity photo-shoot at the weekend which raised **£30** – well done teamsters: 🤗

I am delighted to announce that we have a new & exciting association with the **FAIRFIELD** Public House in [Wigston](#): welcome to *Debbie & Chris* and we look forward to maybe taking part in the 'FunDay' that is planned for July/Aug (date to be fixed). Also we have a BBQ style "FunDay" going on in [Albufeira](#) on Sat: 25th June courtesy of our friendly restaurant "[Between the Lines](#)" over there run by Andy Taylor & his family. 🤗

Now let me ask a question of all of you. How many of you shop online? How many of you feel able, to sign up to [Easyfundraising](#) and direct all bonus payments to "**20-20 Voice**" Cancer when you shop online? **Amazon** is rapidly becoming the biggest online 'store' in the world and every time we need office materials etc we use Amazon via [Easyfundraising](#). Believe me folks, every 2p, 12p, 15p really does help with our fundraising efforts and now that we are halfway through the year we aren't too far away from that shopping extravaganza known as Christmas – you'd be amazed at just what you can get online and at [Amazon.co.uk](#) 🤗

We had a nice 10 minute spell on *Radio Leicester*, promoting the Fashion Show & Toni has kindly given me a link to such: Now you can hear Leicester's Dalek in full flow!

Nice surprise came our way via [Roundhill Subaqua](#), in cahoots with our friends The Dancing Wumasters, as they raised a magnificent **£152.50** for our cause. Well done all and our sincerest thanks for your tremendous effort, it is greatly appreciated.

Remember I mentioned that we had a new pub onboard folks? The Fairfield Pub, Gloucester Crescent, Wigston? Well they have been very busy on

our behalf because having run three of our **“Gallon of Beer for £2”** cards we find that three lucky customers have each had that very pleasure and in the process the pub has raised £193.00. It really is amazing to find out what is going on whilst one is out of commission for a few days etc! Needless to say, we are off to the printers again in the morning to get some more A3 sheets printed!

We have something else exciting in the pipeline but I think that it will wait for next month’s newsletter as I am waiting on confirmation of bits & bobs 🤗

The long awaited Fashion Show got underway with a superb performance from **“Dance Activate” Juniors** who very nicely lead us into the ‘Contour Show’ where the boys & girls strutted their stuff to great effect up & down the catwalk. Again, the **De Montfort University** showed their artistic talent in abundance - and to rapturous applause. “Dance Activate” ‘teens’ came on and paid a wonderful tribute to the singer Prince, who **left us** earlier this year. For children so young it was marvellous to behold their understanding of the man’s music and the way he performed - truly wonderful to watch. Congratulations to Yvette Bailey & Georgia Page for such a great show.

Our host (**& Patron**) Mr Willie Thorne hosted the evening for us with his usual eloquence, always ready with a short story if needing to fill a couple of minutes here or there. We had an increase in attendance this year and our stallholders all seemed happy at the end of the night-the only downbeat being the surprising non-appearance of **Miss Leicestershire** who had been “so looking forward to helping at the event”!

Two C/tubs came in: £39.18 from the **Fox & Tiger** and £17.17 from Arianne Thompson’s **Acupuncture Clinic** – all good stuff and all very much welcomed.

We do not have a definitive total yet but I think we are looking at around the £800 mark for the evening (a few expenses to come off) which I am absolutely delighted with. Well done all, a lot of hard work but well worth the effort 🤗
