Greetings all,

April 1st and I thought I'd been fooled good 'n' proper as we had been donated **£100** from a club draw-then I realised that it was indeed extremely kosha as 'Janice B' is one of our staunch supporters. Last year Janice plucked the winner and donated the same prize !

Our thanks go to *Godiva (Friday) Bowling League* of Nuneaton. 🙌

You will see that I've added another link for fundraising for the charity. I've tested this out by purchasing a "Great British Pub" card, which immediately donates 6% (£6 in this case) to our "20-20 Voice" Cancer account. All I need to do is to 'top up' the card when funds are low (on the card) and another 6% is donated to our charity.

Now as you all know, I am no master of these computer things but I have found that once you open account with these good people, everything is there for you and it a simple job to 'top up' [your own cards](#) (read about it here) – whether they be for the pub, Argos, Marks & Spencers, the cinema-whenever! 6% or 3%..... it all helps folks! 🙌

Now then, for all you 'fashionistas' out there we have a bombshell to announce for our night of fashion on Thursday, June 30th! Megan Elliott won the Miss Leicestershire beauty competition a few weeks ago and is now heading for the starry lights of Southport for the finals of the Miss England competition (July), BUT, Megan has decided to team up with "20-20 Voice" Cancer and join us on our Fashion Show night-that is fantastic news, I'm sure we find Megan plenty to do on the night folks so don't be late, the doors open at 6pm!

10th April saw us in the **FOX & TIGER** (Blaby) for our annual Rock 'n' Roll night- and what a fabulous night it was too! It was great to see our '40's & 50's children' still making all the moves as *Jivin' John* played tune after tune, turning the clock back to the time when the music world changed for ever! We raised £143.87p on the night so thanks to all of you! 🙌

Now for some brilliant news: Some time ago a good friend of ours was advised to seek urgent medical attention by the dentist. It turns out that 'an ORAL cancer' was indeed present but, thanks to early dental advice, the problem was quickly eradicated. Yet again, PROOF that early diagnosis is the key!

I've just heard back from **Ruth C & the girls** who enjoyed a fabulous **60's weekend** at **Richmond Park Holiday Centre** (Skegness), which, if you good people remember, was our top prize in our Xmas Quiz raffle draw last year. The weekend was packed out, the music brilliant, accomm'n, food & drink superb, the weather..... well, it is Britain after all folks! 🤔 A brilliant prize from a very generous organisation and we thank them most sincerely.

And now I have some sensational news folks as we have been working hard on a project with one of our supporters – who nearly lost his voice to cancer! The radio show, hosted by Chris Harlow & in association with **“20-20 Voice” Cancer**, will be broadcast (FM) every Saturday morning (8am-10am) in Germany, Greece & Internet radio stations – I will let you all know what to link into just as soon as I know. There will be radio competitions, plenty of ‘ring ins’ etc and the promotion of the charity is paramount-this will be a magical boost folks! This will be the perfect follow on from our friend in Whtstable throughout each week.e (Peter Haynes) who has been propmoting **“20-20 Voice”** on various radio shows

We are hoping/expecting 8 or 9 stations to take this show so we will be getting plenty of exposure **‘on-air’** and we will try and find plenty of give-aways for listeners 🐻.

Yes folks, it getting towards our superb Fashion Show night held at the fabulous 1880 Suite (Tigers gr'd) again where the catwalk is ready & waiting for our beauties to strut their stuff. We are honoured that De Montfort University design will be showing their London Collection on 30th June-doors open @ 6:30pm

We have managed to keep ticket prices at a mere £4 per person and we now have our dancers back on stage, both before & after ‘the catwalk’. We have plenty of other attractions with local businesses supporting (side stalls etc) and a superb 7-tier raffle with the top prize being a **2-Night** stay in a luxurious B&B in Cromer. This fantastic prize has again been donated by **Terry & Jan** who know the ravages of cancer only too well. (*If you are the lucky winner and fancy a week on the coast then you can book 7 nights but only pay for 5!*) We will also have our poor little **‘Lary Bear’** who needs naming & a home, plus the night will be hosted by our patron Mr Willie (**147**) Thorne – who decided that **‘Living Rough’** (even for TV) was not for him! Tickets are available from HQ, simply email admin@2020cancerappeal.org or text 07757-382970 and we'll get your tickets to you asap. Don't forget folks, there will be tickets available on the door-open from 6:30pm onwards.
