

# “20-20 Voice” Cancer

supporting those who suffer from Head & Neck cancers

What would YOU do without YOUR voice?

How would YOU cope?

How many athletic types have we out there I wonder? How many of you could manage a 5/10/15 or even 25 km run to raise vital funds for “20-20 Voice” Cancer?

We have the links to many an organised ‘run’ ([here](#) for example) and we also have “20-20 Voice” Cancer T-shirts, so you can advertise our charity as you run. It is easy enough to source your own local charity runs and once you have decided where you want to run we can provide you with sponsorship sheets so that you can really get down to the business of raising vital funds for this charity 🙌.

You probably know by now that “20-20 Voice” Cancer is the charity that no one talks about (pun intended!). We aim to provide hospitals with the ‘*up to the minute*’ equipment which can detect those naughty little discoloured cells deep inside us without the need for invasive surgery! Time & money saved for hospitals, stress levels greatly reduced for patients, beds freed up & results much sooner! It’s literally Win/Win folks!

**Why not team up with a few mates and get jogging?**
