Recurring payments made simple

If you haven't seen the Facebook posting then now is the time to welcome **Roger & Alison**

onboard and into our growing family. They run a superb **B&B** in **Skegness** (top 5-I'll tell you) and have now allowed us to employ our transparent A3 display holders with 'menu' style leaflets & 100mm sq brown envelopes so that people can donate a few bob – if they have any wedge left!

As we are often over **Skegness** way we've asked **Roger & Alison** to simply keep the mounting pile of envelopes in a box until we go over there and pick them up! Now then, you'll all be wondering where this place is: here goes! **The Southwold** is a beautifully appointed [guest house](#) on Sea View Rd, 5 mins from town & 5 mins from the beach yet still nice 'n' quiet at night. They now open all year round and Roger informs me that they pleasantly surprised at the number of winter guests booking in. No matter which of the 10 rooms you book you'll find **our "20-20 Voice" Cancer** display, just as you will in [Cromer House](#) on the Norfolk coast! Don't forget folks, you need to book early-doors for either of these guest houses as they are very, very popular. We'll be adding a few more to our portfolio soon folks so watch this space – and anything NOT top quality.....pfffffff, we ignore!

Talking of **Skegness**, the annual bike ride took place on the 22nd. Not quite so many riders this year but still a tremendous effort by those who took part – especially in the diabolical heat that simply intensified as the day wore on! The pit-stop was well received I can tell you as very *sweaty 'pedal power people'* arrived at the lay-by. This year, as reward for all their efforts we laid on a minibus to bring tired bodies back to Leicester – our sincerest thanks to **DIXONS TRAVEL** for that and also to **FMB** ([Leicester](#)) for trailing our riders & bringing the bikes home. Richard, resplendent in a "**20-20 Voice**" T-shirt, did a splendid job keeping the bikes on the road though I do have my suspicions that he whipped out his rather large metal mobile bike stand simply to impress our ladies! 🤪 Hardly a

repair needed but our [sincerest thanks](#) go to **Richard & FMB** for keeping our bikers safe. You've got to know this! Some of our cycling enthusiasts Ben, Tim, Andy, Paul, Dan, Jonny, Jack and Rob 'bombed' into Skegness, enjoyed fish 'n' chips and then simply 'bombed' back to Leicester again, 200 mile round trip for some of the boys-incredible pedal power! We will be investigating more options over the next few months 🤔. Website report [here](#).

Next we get down to the brilliant night known as the annual **"All you can Eat"** night, held at the **Chef & Spice** on Hinckley Road, Leicester. This year we are pleased to announce that our patron **Mr Willie Thorne** will be joining us and hosting the evening. The food is absolutely superb as are the waiting

staff. There are 50 different varieties of food available and you just won't know where to start..... except..... with the 'starters'! On the night there will be a presentation for and on behalf of a very special supporter of **"20-20 Voice" Cancer**..... but you'll just have to wait to see what that's about folks! 🤔

There will also be a super raffle on the night (5 prizes) - sports fans be on your guard as one of the prizes will be 'right up your street'-as they say. The date of this feasting extravaganza is Tuesday, **29th September** (7pm for 7:30pm) and the tickets are only **£15** per head! Don't forget of course that our restauranteur (Syed) donates **60% BACK** to our charity! Yes folks, that's **£9** out of every **£15** coming back to us-**brilliant generosity from Syed**.

There's fully stocked bar and with **Mr Willie T** hosting there are bound to be a few funny tales abound! Plenty of parking available and we want as many people to attend as possible, in fact, the more the merrier as this will be a great night out folks..... see you there!

Great news from one of our staunch supporters, The Bulls Head in Stoney Stanton as they host a couple of our tubs. We nipped over there on the 25th, swapped the tubs over and counted up another superb **£24.82p** from the goodly people of Stoney Stanton.

As you can imagine folks, our collection tubs bring in a nice steady income annually so if you know of anywhere that would support our cause why not drop us a line or have a chat with them yourself, for the more tubs we have out there the bigger our name becomes. The same applies with our wristbands & display boxes 🤔

Final note for this month – Our annual meal night, don't forget folks:

Tues, 29th September !
