Much news to tell folks!

**Headliner:** Our **new** email address is now: [admin@2020voicecancer.org](mailto:admin@2020voicecancer.org)

**Due** to having to make an emergency call to Glenfield as my much used nebuliser had totally conked out (thankfully they replaced it immediately), we found out that they were in need of such items so we did no more than get onto the suppliers this morning (courtesy of our invaluable Trustees of course) and **donated 6 new ones this morning – 8<sup>th</sup> Aug!** 👍 😊

**Our** relationship with *Macmillan* must be blossoming as I have been asked to make a 20minute presentation to 50+ lary's & carers at a venue in the Kegworth area on **Friday, Sept 22<sup>nd</sup>**. This may well prove to be a vital 'networking day' as well as a talking day.

**To** our media sponsors, **NICHE Magazine**: the girls have decided that we need a more updated, professional marketing approach so we have been rebranded (at least it didn't hurt!) so, new logo, business cards & headed notepaper are coming folks-and I think you'll rather like them! As we mentioned on our facebook page we have 'adopted' **Mrs Jill Thorne** as the charities fully qualified "**Advisory Speech Therapist**" – another great addition to our burgeoning team. This is only part of what we aim to set up for laryngectomies!

Saturday, **2<sup>nd</sup> Sept**, sees our first appearance at the LCBBS being held at the [Athena Theatre](#) in Leicester, Sat 2<sup>nd</sup> Sept-doors open at 1pm. We have a stand there for an hour or two and welcome all interested parties. Come on, you know you want to see all those muscles on display! Food bar & drinks bar available + a "**20-20 Voice**" Cancer 'welcome pack' 🙌

~~The following day, **Sunday 3<sup>rd</sup>** (Knighton Park Festival) has been cancelled due to unforeseen circumstances!~~

**We have just added our Christmas-fun-Fundraiser to the website – can you help with it?**

**Nice pick up from Andy's Fish Bar of £21.70 – well done mobsters!**

**The Bull's Head (Stoney Stanton) star again with a fabulous £33.61 !**

**The Fairfield** weighed in with a very nice **£39.92** –well done all Wigstonians!

The **Aberdale Pub** run a football scratch card for us and so far they have raised **£90** for the charity through that medium. Well done everyone and please keep up the good work, Also our congratulations to Tandy, Twig & Tony P etc for selecting the winning teams 🙌.

**\*\*\*** **Now** some 'right good cheerful news' folks! We have communicated with a fabulous [restaurant chain](#) who now have a firm foothold in the city-Millstone Lane actually-and yes you've guessed it: **Le Bistrot Pierre** are backing this charity by providing a top prize for both our 'all you can eat' meal nights – but you'll have to wait a little longer for the details 🙌.

🙌 Sadly our “**Walk the Talk**” **FunDay** in Stoney Stanton was a dismal flop as the weather played its devilish hand and ruined it but we managed to recover expenditure! We have to thank our Patron, Mr Willie Thorne & Jill for 'loitering with intent' for nearly 5 hours to help boost the proceedings but the people simply did not come - boohoo 🙌

**Now we have some cracking news for you!**

We have a supporter living in Emsworth, a beautiful part of Hampshire, who was diagnosed with cancer of the [esophagus](#) (food tube) which of course can be very nasty indeed! Though

some 130 miles away we have supported '**Lorrie B**' all the way with whatever advice we could and I am absolutely delighted to tell you all that chemo has shrunk the tumour to such a degree that her consultant has declared that surgery to remove the offending 'beast' is now on the cards. Good for you gal, you've joined the “**20-20 SURVIVORS CLUB**”

**\*\*\*\*\***

**Now then goodly people** in the Leicester area we must not forget that on **September 13<sup>th</sup>** our girls from the **Leicester Royal Infirmary** are holding a **Health & Well-being** afternoon at the Eyres Monsell WMC, Little John Rd, Leicester. LE2 9BL (2PM – 6PM) Larv's & Carers welcome – all sorts of medical advice/advisors will be available! 🙌

**September 26<sup>th</sup>** (Tuesday) is the night for all feasters to sharpen their gnashers and enjoy the feasting:

We are booked in at the wonderful **Chef & Spice** for our annual 'all you can eat' night out where the food is just superb, a full bar is available, the waiters are ultra-attentive & the company is simply top-notch. Remember that there are 150 spaces available and we are selling tickets already so it is

first come/first served folks. You can book your table/party/group beforehand by emailing **Phil** at [admin@2020voicecancer.org](mailto:admin@2020voicecancer.org) and your named table will be reserved for you. Let's fill the place this year and boost the charity. Booking forms attached folks 🙌
