Feb: 2018

Hi all, and we have a nice little start from our friends at easyfundraising.org.uk who have sent us **£23.91** for our online purchasing efforts! All very welcome I say - & have you, perchance, joined our [Amazon Tidal Surge](#) yet so that you can earn pennies on every purchase made on Amazon?

Great news from the **Aberdale Public House** as the **Christmas Sweepstake** has been completed and we find that "**BIG Steve**" is the lucky recipient of a **Gallon of Beer** to help his Christmas festivities along a bit! Well done my friend of old, I hope you enjoyed every sip! Amount raised= £60.80p.

Early news of an event folks as our good friends Ian & Holly have announced that this year's **Leicester Charity Body Building Show** will again be held at the Athena Theatre on Saturday, 1st Sept. For sponsorship or tickets simply Contact Ian on 07850-121603 or 07585-287123

Great news from the **Miners Arms** (Nuneaton) as the **Christmas Sweepstake** has been completed and we find that "**Jo Hiatt**" is the lucky recipient of a **Gallon of Beer** to help the Christmas festivities along a bit! Bar staff is our Jo, much to amusement of many 😄 so I have no doubt that Jo may be spending some free time on 't'other side of bar'! Of course many thanks go to Brian & Lynne for supplying the winnings so we receive the full £90.00!

Aberdale Public House became the first '**money box**' to come in, raising a fantastic £32.53p & Vitram 'scored' on the football card winning himself £15.00. Well done all 😄.

Come the 22nd/23rd we were hacked – the website, emails and whatever else they could get into; not to get anything but just to cause absolute mayhem and nearly 4 whole days of no communication with anyone. Be assured that the situation has been resolved and we were back online for the 25th-ishth, **quiz night** which is another story altogether. In line with 'the hacking' we now have updated security in place so we should avert a repeat of such. Honestly folks, what did 'they' think they could get from a charity website?

Despite the promises of eleven (11) teams being there on the night I must send out a mighty thank you to the four (4) that actually managed it. We still had a laugh, a few pints & some banter but half of the excellent buffet the club provided went into the bar so

hopefully it wasn't wasted. We strive to make this charity a raging success but we can't stop the 'bugs' or double shifts having to be worked in hospitals 📖. Congratulations to the Aylestone Conservative Club who now have 2 Trophies to display behind the bar. Come on peoples, I think we need a bit more

opposition! 🤔 One snippet from the night: I've never seen a quiz team have so much fun as our "Girls out Loud" team did. I don't know what was going on at their allotted table but mirth & merriment was in full flow - glad you enjoyed yourselves ladies

😄. Another good thing that emerged from the night was that another one of our little money boxes was taken by one of our supporters to his workplace – very happy with that as it not only spreads the word but gains donations too!

Duncan Road Club (formerley Saffron Lane WMC), tub change amounted to £27.55p

And the Gold-Plated news we have been waiting for folks.....

Remember the wonderful offer from our friends at **The Belmont Hotel?**

Afternoon Teas which created a donation to this charity?

Well I am absolutely delighted to tell you all that **The Belmont Hotel** raised a fantastic
£304.00

Our sincerest thanks to Lucy & Eloic for this wonderful fundraising opportunity

We are now turning our attentions to the beautiful settings of Kilworth Springs, a superb golf course out at North Kilworth. June 13th sees us, in partnership with **Hope against Cancer**, holding a charity golf day which will be billed as the:

Willie Thorne Charity Golf Day

Which will comprise of 4-man teams, over the full 18 holes at only £275 per team. There are plenty of prizes available, a fantastic raffle & a rather splendid auction arranged with some very tasty lots on offer – all must go. Breakfast & 2-course dinner arranged for all players and If we have any non-players wishing to attend for the dinner, raffle & auction only then please contact me on admin@2020voicecancer.org and we will organise a table/s for you to join in the fun. This is a joint venture for both charities and will be hosted by our very own patron Mr Willie Thorne – who I am told, missed out on a hole in 1 (car) by an inch on one of his charity golfing days! So folks, into February we march!

Phil J
