Another great start to the month as  sent a very nice **£37.96** for all the tiny donations from using them for "Amazon Shopping". Now the question is: 'just how many of **you** are willing to sign up with "Easyfundraising" so as to get free money for this charity 😊. It really is so easy folks!

Lary's remember to keep your premises at a constant warmth

Due to poor health issues we have now arranged to go to Nottingham on January 14th to meet with our **ATOS** teamsters and see what we can do to create more AWARENESS around the nation – amongst other matters. Watch this space folks!

And we welcome another new supporter, this time based in the beautiful county of Cornwall. This lady lost her father (a lary) a couple of months ago and wants to help others! Well, all I can say is welcome Mrs xxxxxxxxx for you've certainly come to the right place gal! The place where we get things done 

We need to say thank you to **Radio Wigan** (WiganFM) who have supported us throughout 2018, urging their listeners to do so too and up to the time of writing they have raised **£102** in order that this charity can help those, in need, with no voice. My sincerest thanks go to **Andrew Tucker** and all the backroom team at WiganFM- you are stars! 😊

Splendid bit of news today (19th) as despite, illness, pneumonia and general lergy the stoma was reported as holding up well by 'Ros W' in ENT and to top it up we collected £14 from Kinmonth Ward & £17 from ENT Wristband boxes! Happy days folks, it all helps.

And, this weekend, a fabulous **£42.51** in the C/Tub from our good friends at "Marhaba" Grill/Steak Restaurant at 177, Evington Road, Leicester. Trust me folks, you really need to try this place out as the restaurant is immaculately clean, the service just excellent & the food simply to die for! Enough said, get yourselves there and try it out for yourselves.

We now have another C/Tub in the delightful “Florelicious” fresh flower store just around the corner from Marhaba,(Lyme Rd/Devana Rd, Leicester), run by **Ruqayya**, providing flowers, and gifts, for Weddings, & all Special Occasions etc. This small but rapidly flourishing business has been **Ruqayya’s** dream for many years and **2020Voice Cancer** are absolutely delighted to support her venture into the world of floribunda. They are online ([Facebook](#)) with a contact element so why not give them a call and see what you can get?

For those we may have missed by email we send you all our very best Christmas wishes all good fortune for the coming year: 2019. Remember folks, if there are any events nearby that you want to get involved in, to help this charity, then simply contact Phil admin@2020voicecancer.org and we will do all we can to help 😊.

I’m afraid to say that we have had to cancel our annual January Quiz due to apathy....yes folks, rock solid apathy – meaning that we just cannot raise any enthusiasm from the local pubs & clubs. Such a shame because it is a great social evening where our local club puts itself out to accommodate the charity by providing a full bar and a lovely buffet. Perhaps it might be better to hold the quiz in the warmer summer months?

What can I say to you all except thank you from the bottom of my heart to every single one of you that have donated/helped this infant charity to simply grow & grow. I can only tell you that there are exciting times ahead as we have meetings with NHS bods regarding our “**Pathway to Life**” (more of that later my friends) and in early January we meet up with our friends at **ATOS/Countrywide Supplies** in Nottingham to find ways of spreading the awareness factor nationwide..

Chaucer Insurances Ltd have affirmed their invaluable support again this year and I look forward to hearing what manner of fundraiser they have come up with this time!

We have our Kilworth Springs Charity Golf day on May 8th and it looks like our friends in London will be organising a similar event for us down there! Numerous other opportunities will arise as we progress but I must mention Jo Ann (and daughter Katy) who are working wonders for us in the Kent area. 10/10 ladies-what a shining example you are.

If we get an ‘area rep’ in every county I will be one very happy bunny! **HNY everyone** 😊
