Welcome to a world that is flying by this year, and boy oh boy is it flying! Wonderful start to the month as our **Charity Meal Night** raised a magnificent **£690.00** and we thank our fabulous 'forty-niners' (49 participants) who wined, dined & dined again! It's a great night out and I just wish that more people would brave the dark nights for a superb night out! The raffle prizes were received with great aplomb, as always, and young Tayla from the Aberdale won our very generous first prize of a photo package donated by our friends @ **ZigZag Photography** on Portland Road, Clarendon Park – our sincerest thanks to them! The "Stand-up-Bingo" was a hoot as always, with many disappointed bottoms returning to their seats well before expectancy. Regular diner 'Vickie' scooped the Amazon 'FIRE' Tablet 🤗

We were requested to help, and help we did by sending a **Digital Thermometer** & an **Oximeter** to a lary in need and we were very happy to do so – it seems that more & more hospitals are cutting expenditure where-ever they can-not too good for us larys! 🙄

Come along then folks, form an orderly queue please as we now have our Christmas Cards in stock & ready to post out to all you good peoples! remember that every card you send out may well entice someone who hasn't heard of us to join our merry band of warriors. We do what no other charity does, we buy that which larys need to get back to as near normal a life as possible. Not easy being a Dalek but we help where we can folks 🤗. **£5.99 per pack of 10 cards inc P&P direct to your door,**

Amazing news from the Aberdale again as they donated another £15 from a football card (well done Andi ?), £37.50 from w/band sales & £45.04 from the little table box next to the till – I wasn't expecting that I can assure you. Thank you so much to all at the Aberdale you are helping us tremendously with 'lary requests' that are coming in at the moment! 🤗

We are the featured charity at the **Two Steeples** for October as well as September which is great news to hear and we will be putting a team up for the months-end Quiz (Tuesday 29th) which is designed to help whichever charity is in situ! All good stuff 😊

Fish n Chips for tea was the order for a Saturday night so I took an empty tub with me – what a good job too as our tub was laden with much coinage: **£55.63** to be precise! **Blue Breeze** take a bow.

Now then folks, how's about this one then? Our **'footsloggers'** toddled off around **Hyde Park** (London) on Saturday 28th Sept and have raised just over £645! Well done to **Mr Ralston's Saffron**

Road Dental Practice led by our darling receptionist Cheryl 😊. 'Mandy' won the **£25** Shopping Voucher as top fundraiser with **£220**, but a big thank goes to all of our 'footsloggers' for such a tremendous effort of going to London for the Mouth Cancer charity walk to raise funds. **Top Team!**

Oh my, oh my, in with one hand and out with the other as we have had another enquiry by a struggling lary, wondering if we can help her out with an electro-larynx? Well folks, I am delighted to tell you that we can as her hospital simply does not have the funds for such. The problem here is easy for all to see really because the more people that come here and use our overstretched **NHS** the more people like us are going to suffer from the cutbacks – all very, very sad: especially when someone has worked all their life and can no longer speak courtesy of cancer. Thanks to all of you kind people out there 'Eileen' will soon be talking to her family & friends again 😊 **"Come on Eileen"** *Sorry to inflict this on you!*

Yet again the Aberdale strike gold with 4 x football cards completed so congratulations to: 'Moose', 'Paul', Chris James' & 'Big john' who all won £15!

Another nebuliser has gone out to a needy lary and another hospital is now aware of what we are all about! The word is spreading folks.

Thanks to our friend in N Ireland (**Deon M**) we hosted a **20-20 "80's Disco Night** at the **Brickworks Lounge** in 'Derry on Friday 25th Oct. Apparently it wasn't the greatest turnout for a charity night out but Deon is doing a great job over there by getting the awareness out & about in N Ireland. Well done that man. Figures will be available in next month's newsletter folks 🙌.

A ride out to our much favoured Indian restaurant, the **Cardamom Lounge**, was needed to change over the C/Tub (**£9:78**) that sits proudly on the bar. It does a great trade as an 'attachment' to the Heritage Hotel and the food is absolutely superb. Our patron, Mr WT, absolutely loves eating there! And then on to the **Fox & Tiger** (**£32.47**) in Blaby-carry on the great work.

Due to a face-book hissyfit we have a temporary face-book ban but you can simply email on admin@2020voicecancer.org.
