Well folks, I have a blockbuster for you to contemplate should you be sound of mind (?) and body (deffo!)

A superbly orchestrated event has been created: <https://www.inflatable5k.co.uk/inflatable-5k-obstacle-run-nottingham>, you really do need to see the short video as the organisers have created what can only be described as 'a hilarious, exciting, fun day experience'! Ignore the prices shown for we can 'block-book' places as a registered charity at around £22-£24 per person. The event is in Nottingham, on Sunday 6th September, which gives you plenty of time to prepare for the event for it is a 5K route including 28 obstacles – and the good news is that we already have a team ready to charge the tapes (as they say). Fancy a go? Fancy being completely 'bubbled'? Fancy an exciting new challenge? Then get in touch!

Helping Hands straight into battle as another 'starter pack' has been sent out to a needy lary who contacted us. 🍷 The more the merrier as we love helping others in need.

Last night, long after 'Matty' had enjoyed his '**Gallon of Beer**' for only £2, we collected another £60.80 from the **Aberdale**. Well done all and keep up good work

Amazing how things work really! Silence for a few months and then we get two requests for Collection Tubs from different parts of the country. Of course we are delighted to send them to their destinations as: a)...they provide us with funds & b) their very being on the bar spreads the word of laryngectomees 🙋

Helping Hands into battle again as another 'starter pack' has been sent out to a needy lary who contacted us. Always happy to help and advise.

Check-up trip to the **LRI** this afternoon (stoma clinic) and then a trip upstairs, as ordered by Diana & Cliff W a few days ago. Between Ward 9 & Kinmonth Ward we collected a tasty £97 as more 20p pieces revealed themselves....including a couple of crinkly tenners! Well done mobsters, keep up the great work. Can you make up a table of 5 for our Spring meal at the fabulous **Cuisine of India** on Monday, April 6th I wonder?

Now here is some great news (we hope) insomuch that we have been shortlisted to receive funding from **Carling/Everards** as part of the “**Carling Made Local Fund**” which has been set up to help small, local charities who otherwise get no recognition whatsoever. We have had to fill in a complex questionnaire for them to go through as part of the final selection stage to prove that we ‘satisfy the selection criteria’ – I assure you that we easily do so! I have absolutely no idea who/what we are up against but at least we have made the ‘shortlist’. A couple of Corporate Businesses on our side would be a tremendous boost to our getting the AWARENESS factor ‘out there’! More news when I receive some. 😊

And this is solid gold folks! Our Dental friends on [Saffron Rd](#) have just picked up 3 awards at the private dentistry awards 2019 in Leicester, those being: **Practice of the Year**, **Best Patient Care Midlands** & **Best Team Midlands**. Now win one award is a superb achievement so to win three must be ‘**super, superbly superb**’! Well done teamsters!

A trip to [our own dentist](#) this morning for a check-up and to change a rather weighty tub from our wristband display box. A lengthy count up of all coinage revealed a very generous **£56.66p** from the good people attending the practice. We also have our ‘**face-facts**’ trifold leaflets in there explain all about various oral/throat cancers, so we replenished them too as it seems that plenty of people are reading them – which is all good! **Well done [Team Somani](#)** !

Right then good peoples, we are getting close to the fantastic meal night at the superb **Cuisine of India** (Wigston) and we need to know who is coming so that we can have the tables ready ‘named’ – always makes things easier 😊. Prices remain at **£16** per head, but bring your entire body please 😊. We have a booking for **10** already, with more coming in so if you fancy a fun night out with great food, **7-tier raffle** & our hilarious ‘**Stand-up-Bingo**’ game you need to get in touch with Phil (admin@2020voicecancer.org) and book your tickets/seats. Don't forget that there are only 75 seats available so get yourselves sorted 🙌
