Aug: 2020

Well folks we have great news to start this month with – and I mean great! 'Sunny' at **Dunstable Snooker Club** is to set up a Snooker Tournament named the "**Willie Thorne Memorial Trophy**" Details have yet to be sorted out but the portents are thus far good! Listen to this: (great start for our new patron!)

<https://www.facebook.com/jill.thorne.75/videos/581915829384806/>

It's now official folks and we will be there to present the winners trophy and join in a night of celebration of Willie's life on the green baize. Some big names, past & present have been invited and we are expecting a great turnout. The date has yet to be confirmed but Sunny is working with the snooker authorities to find a suitable date for the event. This should be a cracking event & a great way to say goodbye to my friend, our Patron & Mr Maximum!

I am very happy to welcome **Amanda & Darryl** to the **Fairfield Pub** and even more delighted to tell you that they will continue supporting this charity - and there may be events we can hold there to raise funds for the charity and also beer monies for the bar – thinking cap is on folks. **Christmas Quiz** springs to mind immediately!

Sadly, and as we all know, this COVID thing has totally disrupted all charity activities, so much so that our Nottingham Inflatables FUNRUN has been cancelled this year. However, we have a new date for **2021** (Sept 11<sup>th</sup>) and we already have 4 entrants ready to sign up. I am just waiting for the rest

of the team to hand in their Registration forms and then I can make a 'Block Booking' for this charity. More info nearer the time folks but this will be fun!

*And now some cheerful news which will give us all an interest over the coming months/year - we hope. I have bought a very small share in a horse trained by top man Paul Nicholls. It's a £59 investment which may yield a return but we'll see. **Hacker des Places** has run well in France and will run in the syndicates colours, which you will see in your paper on race days. Any winnings/profits will go straight to the charities funds so the charity cannot lose on this little venture. **It will be fun!** 😊*

### Racing Colours

Black Cap  
Mauve Body  
Mauve Sleeves with  
black Chevrons

Yes Folks it's that time again where we can all get together and enjoy a superb meal, whatever we fancy to drink, a 7 tier raffle & our hilarious game of Stand-up-Bingo: all with some fabulous prizes folks. **Sept 29th** & the price has stayed the same at **£16** per ticket, the times have remained at **7pm for 7.30pm**. Tickets are now available from the office so book your table and bring as many guests as you want. Tickets from: [admin@2020voicecancer.org](mailto:admin@2020voicecancer.org) We'll see you all their folks. 😊

**Good news** as we provided Ward 9 (x2) & the Kinmonth Ward (x3) with brand new nebulisers as they are two wards that definitely need nebulisers – we are always happy to help the Leicester Royal Infirmary out. 😊

As you mostly be aware, our Patron was a lovely fella, a true gentleman & because of that, several golf clubs want to hold a Charity Golf Day in honour of Willie T. How sweet of them.

Tremendous end of month news folks as we have linked up with' **Swallows**' who do not have a larygectomee division so this will work very well both ways! More later.

This month's lucky draw goes to Ticket **No8** who we find has been purchased by Mrs LH who lives in some far distant land 'oop north' as they say 😊 Congratulations young lady, your goodies will be on their merry way to you this very day! 😊

Phil J
