**Good news** for all those with an equine interest as our syndicate horse (Hacker des Place) is filling out nicely, walking & trotting and being carefully tuned up for his first race in this country. The lads & trainer are happy with his progress since coming over from France.

**Chipstead garden event** raised a fantastic **£937.25p**, our thanks to all who participated in JoAnn's 'humble idea' that bore such great fruit! 😊

~~—We have just had the go ahead for our Charity Meal Night from Syed— with COVID rules to be adhered to of course. Sign up, get your tickets and enjoy a great night out folks!~~

Our ladies at Glenfield Hospital collected **£30** in **20p** pieces, very well done, Vanessa/Trish, keep up the great work girls.

We have just swapped the Collection Tub over at our local **Post Office**, had a count up and found that we are now **£30.48p** better off – well done to our girls at the P/O!

**Most in the Leicester area now know that our meal night has had to be cancelled due to this COVID19 atrocity – so that is both meal nights lost this year: not a happy bunny!**

**Wonderful** news as one of our major pubs has now swung into action again and today (3rd Sept) we collected all 3 Collection Tubs and counted up £41.02 in shrapnel.

Even better our friend **Terry** won a **Gallon of Beer** for picking square **No17** in our fun-loving Gallon of Beer for **£2** promo!

Where else could you get a **Gallon of Beer** for only **£2** ???

**Low & behold** we can help another 'soon to be' lary out as we have sent a Boogie Board north to help out with post-surgery communication etc. Stay positive 'dad', keep positive and you'll be fine. Oh by the way my friend, welcome to the Dalek Club! 😊

"This week the CDC quietly updated the Covid number to admit that only 6% of all the 153,504 deaths recorded actually died from Covid

That's 9,210 deaths

The other 94% had 2-3 other serious illnesses & the overwhelming majority were of very advanced age"

**Comorbidities**

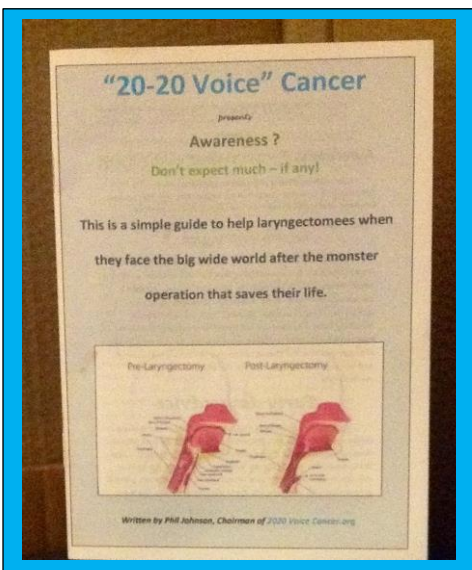

Table 3 shows the types of health conditions and contributing causes mentioned in conjunction with deaths involving coronavirus disease 2019 (COVID-19). For 6% of the deaths, COVID-19 was the only cause mentioned. For deaths with conditions or causes in addition to COVID-19, on average, there were 2.6 additional conditions or causes per death. The number of deaths with each condition or cause is shown for all deaths and by age groups. For data on comorbidities, [Click here to download](#)

**Covid Update** (02/09/20)

*Isn't it extremely annoying when you suddenly find out that that not only did they never have a specific test to determine 'COVID19' but virtually shut the country down, causing 'x' amount of businesses to close and many thousands to be unemployed! We have said all along that this was simply a strain of 'Flu' that they hadn't got to terms with and many, many nurses are now stating the obvious – so many empty hospital beds while cancer sufferers have been ignored, left untreated and, in some cases, have simply died. You will note that the MSM, BBC, ITV, Ch4 nor Ch5 will carry this news to the masses as they will quietly wish the truth to die out and save unlimited embarrassment to the government!*

I'll bang the drum again for these MAGNETIC adverts that will sit quite happily on your car doors without marking them. They are a tremendous way to advertise this charity and we will pay for them and have them delivered to your door-if you would be kind enough to agree to placing them on your car door (front or back). It is a far better and cheaper way for us to get our name about than radio or TV who seem to think that all charities are millionaires! Can YOU help us?

**Happy to announce that our 1<sup>st</sup> set of 'Magnetics' are heading towards the North West for display purposes! Happy days 😊**

**At last we have our booklet ready and in print. It is a simple guide for soon-to-be-larys, to show them that everything after the operation is up, up & up. [admin@2020voicecancer.org](mailto:admin@2020voicecancer.org)**

It may be early for some but it is never too early for Christmas, and this year we have two sets of Xmas Cards for you to delight in sending out

**Finally we find that our monthly raffle is going Bedfordshire way, so hearty congratulations to Mr from..... somewhere in Beds! Well done that man. Your prize is on its way to you now. 😊**
