A cracking start to the month as we received a written thanks from the Sister (Karen Vann) for the nebulisers we dropped o to them a couple of weeks ago. Always nice to be appreciated 😊. We have said that if more needed then simply said let us know.

Now then folks we have brilliant news as I am proud to announce that we now have a London based Media specialist joining the team. **Dr Ruth Cherrington** & I have been friends for more than a decade; she taught 'Media Studies' at various Universities and has now retired from the ever-disillusioning world of teaching. She has many contacts in the media world whereas I have but two and she has probably forgotten more about the workings of the media than I will ever know! **Welcome aboard Ruth & look out Manchester!**

Happy to report that our **Post Office Tub** has been filled once again, this crammed withy coinage totalling a splendid **£35.74p**. Well done ladies, keep 'em coming! 😊

Marvelous moment as this charity as we paid **£17,256** to LHC (Leicester Hospitals Charity) as full payment for the urgently needed **Thoracic Ultrasound Machine**, as detailed by Consultant Rakesh Panchal a couple of weeks ago. It didn't take the Trustees very long to agree on this purchase and with a 'lead-time' of only 3/4 weeks we are expecting a major delivery very soon. I have no doubt that we will be invited to Glenfield for the launch! 😊

All the above coincides with the launching of our AWARENESS Campaign which has our EARLY DIAGNOSIS diktat running alongside it. We know that 'they' will never arrive at a cure for cancer (although Hemp Oil is causing a bit of a stir in some quarters!) but we also now know, categorically that 'ED' is the way to go! The earlier our cancers are spotted the easier they are to diagnose & treat. A small operation might be needed instead of the 8hrs+ some of us have to go through. We have also set up a [GoFundMe](#) page to help with this much needed equipment. Please pass this link on to everyone you know.

We now have our own [GoFundMe](#) page to increase our purchase power folks 😊

I can now confirm that we have 15+ entrants in the Nottingham Inflatables FunRun, (11th Sept) & a magnificent 25 entrants in our Manchester Inflatables FunRun 4th Sept. It will be great fun and I hope this year's efforts will spur more on to have a go next year! 😊

Thanks to the Euro Football we got 2 x Cards in from [The Aberdale](#) + £30 for the kitty and of course our thanks go to Jackie & Anonymous 😊.

Friday, 6th Aug and our intrepid walkers set off from the Coach & Horses (Markfield) for their 16mile trek encompassing Leicester's "3 Peaks" (the three highest points in Leicestershire). Organised, as always, by our master of foot-stomping Stuart Knowles, our Magnificent 7

set of around 8am, finally getting back to the Coach & Horses @4:20pm, weary, but smiling triumphantly and treated to a welcomed & refreshing drink 😊. Other intended walkers had to pull out sadly, but blisters on feet are not ideal for such treks! Our team of excellent walkers raised over **£1,100** for the charity and we thank Stuart Knowles & the **Magnificent 7**

Yes folks, unbelievably it is '*feasting time*' again as Tuesday, 28th September looms ever large in our annual calendar. As ever, the **Chef & Spice** welcomes all supporters of [20-20Voice cancer.org](#) to their ever spacious restaurant which boasts at least 50 dishes of

all varieties of food to delight your taste buds. Don't forget that we can book in tables of 2 people-up to a table for 10 so get your requirements in to this office asap please. You can either pay in advance or, if you prefer, pay on the night. It is **£17** per person with **£1** of that cost going to the Syed Foundation (another admirable cause I can tell you). We will have a 7-tier raffle (some superb prizes too) and our now established game of 'Stand-up-Bingo'. Book your tickets now on admin@2020voicecancer.org and be sure you're in!

We have a full update of all matters '**20-20**' on our website now, so no one can say they have not been informed. Simply go to <http://www.2020voicecancer.org/awareness-early-diagnosis/> and it is all there for you to read. Enjoy & see what ideas you might have!
